PROGRAMS

MINI MASTERS' CAMPS (AGES 3-5)

The Mini Masters' Program here at Emerge Gallery & Art Center caters to children ages 3 to 5. This is a drop off camp program. Camp activities introduce young children to all areas of art including pottery, painting, drawing, and more! We ask that all children enrolling in the camps be potty trained. Please note: Children are separated into classes by age, when possible.

EMERGING ARTIST CAMPS (AGES 6-10)

The Emerging Artist Program at Emerge Gallery & Art Center offers children ages 6 to 10 the opportunity to experience the world of art through fun, interactive programs including activities such as movie making, claymation, music videos, painting, potter's wheel, printmaking, photography, and much more! Please note: Children are separated into classes by age, when possible.

ADVANCED YOUTH CAMPS (AGES 11 AND UP)

The Advanced Youth Program at Emerge is a great opportunity for "tweens" and teenagers to expand their knowledge and expertise in various areas of fine art. We pride ourselves on high-quality, hands-on activities not capable in most schools such as metal design, potter's wheel techniques, alternative photography, painting with advanced methods & materials, film editing, and more. Participants will be separated by age when necessary. Youth Camps are opportunities for youth to immerse themselves in the art area of their choice. Participants will work on in-depth art projects in the set area.

VOLUNTEER PROGRAM (AGES 15-18)

Emerge Gallery & Art Center, a non-profit 501-(c)3 organization, seeks ambitious and dedicated youth ages 15 and older to assist with our summer camps for children. Volunteers will help Emerge Staff with a variety of tasks, such as set-up and clean-up during children's summer camps as well as serving as assistants to Emerge Instructors. Participants will receive an official letter documenting hours and service with our organization for use if their school or civic organizations require volunteer hours. To participate students must fill out an application and meet with Paula Rountree, Education Coordinator, prior to their week of service. This program is free. Please note: As a benefit of membership, first priority in scheduling is given to youth and families that are members of Emerge.
